

# WANT TO DO LIST

Week Starting:

My Mantra for the Week:

## I WANT TO DO

Write here the things that are time sensitive and that you'll feel awesome for getting done!

MON	TUE	WED	THU	FRI	SAT	SUN

## I'D LIKE TO DO

Write here the things that are not so time sensitive but you would love to get done if you have time

MON	TUE	WED	THU	FRI	SAT	SUN

Some of your "Like to do" list might move onto the "Want to do" list as the week goes on.
